## NOTICE OF PROPOSAL FOR STREET IMPROVEMENTS

Notice is hereby given that in pursuance of a resolution adopted by the mayor and Board of Commissioners of the City of Ardmore, Oklahoma, on the 16th day of May, 1916, proposals will be received at the office of the mayor of the City of Ardmore until 4 o'clock p. m., on the 30th day of May, 1916, for furnishing the materials and performing the work necessary to improve the following streets and portions thereof in the City of Ardmore, Oklahoma, in the manner and subject to the conditions following, to-wit:

That portion of Bixby Avenue from the west line of H street, southwest, to the west line of the Oklahoma, New Mexico & Pacific right-of-way, also that portion of I street, southwest, from the north line of McElish Avenue to the north line of Bixby Avenue, including alley crossings and street intersections.

Said streets shall be improved by grading, paving with bituminous macadam and constructing concrete curbs and gutters. The improvements on Bixby Avenue shall be 25 feet wide from outer line to outer line of curb, of which 20 feet shall consist of bituminous macadam driveway with a concrete gutter 24 inches wide, a concrete curb 6 inches thick on either side thereof. The improvements on I street shall be 21 feet wide, and shall consist of a bituminous macadam driveway 16 feet wide with a concrete gutter 24 inches wide and a concrete curb 6 inches thick on either side thereof. Said bituminous macadam driveway shall be constructed according to the specifications of U. S. Patent No. 814797, and the details, plans and specifications on file in the office of the city clerk of the City of Ardmore.

The sub-grade shall be thoroughly prepared to receive said pavement, as provided by the details, plans and specifications aforesaid, and upon said sub-grade when so prepared there shall be laid a 4-inch foundation of crushed stone, upon which foundation when properly prepared shall be laid a two-inch layer of chert, or small rock that will pass a 1-inch ring with a mixture of 20 per cent of cold ground rock asphalt as a binder. The whole of said improvement to be constructed, rolled and finished according to the aforesaid patented process and the details, plans and specifications on file in the office of the city clerk of the City of Ardmore.

All contractors proposing to bid on said improvements are hereby notified that there is now on file in the office of the city clerk of the City of Ardmore an agreement duly executed by W. A. Edwards, who owns and controls the patented process aforesaid for the City of Ardmore, to permit the use of said patented process by the successful bidder, to furnish a suitable roller and a competent engineer to supervise the construction of said improvements, in consideration of the payment to the said W. A. Edwards in advance of the construction of said improvements, of the sum of 35c per square yard for the improvements covered by this contract.

All bids shall be submitted in sealed envelopes and plainly marked in ink on the outside, and each bid shall be filed on or before 4 o'clock p. m. on the said 30th day of May, 1916, and shall be accompanied by a certified check drawn on some bank in the City of Ardmore, made payable to the city clerk of the City of Ardmore in the sum of \$500. The contractor to whom the contract for said improvements may be awarded will be required to execute to the City of Ardmore a construction bond conditioned according to law for the full and faithful execution of the work and for the full protection of the city.

and all property owners interested against any loss or damage by reason of negligence or improper execution of the work in a sum equal to 30 per cent of the estimated cost of said improvements. Such contractor will also be required to execute an additional bond in the sum of 30 per cent of the estimated cost of said improvements, conditioned on the maintenance of said improvements in good condition for a period of five years from and after the completion and acceptance of said work. Said bond in each instance to be subject to the approval of the mayor and commissioners.

The contractor to whom said work may be awarded shall receive in payment for said work street improvement bonds at par issued and secured as provided by the laws of the state of Oklahoma, provided that in case the property owners shall elect to pay cash for said improvements as they may do under the laws of Oklahoma, then and in that event the city reserves the right to pay for said improvements in cash or part cash and part bonds.

All proposals for construction of said improvements will be considered by the mayor and Board of Commissioners of the City of Ardmore, Oklahoma, at a meeting to be held in the session chambers in said city at 8 o'clock p. m., on the 30th day of May, 1916, and the contract will then be awarded to the lowest and best bidder who will undertake to perform the work, furnish the materials, execute the bonds and construct said improvements according to the resolutions aforesaid, and plans and specifications filed in the office of the city clerk of the City of Ardmore, and comply with all other terms and conditions of said resolutions.

The mayor and commissioners reserve the right to reject any and all proposals that may be received, if for any reason the same shall be unsatisfactory.

First published by the order of the mayor and commissioners of the City of Ardmore on this 18th day of May, 1916. G. H. BRUCE, City Clerk. 18-101

## AVOID SPRING COLDS.

Sudden changes, high winds, shifting season cause colds and grippe, and these spring colds are annoying and dangerous and are likely to turn into a chronic summer cough. In such cases take a treatment of Dr. King's New Discovery, a pleasant Laxative Tar Syrup. It soothes the coughs, checks the cold and helps break up an attack of grippe. Its already prepared no mixing or fusing. Just ask your druggist for a bottle of Dr. King's New Discovery. Tested and tried for over 40 years.
